CORPORATE OVERVIEW

iLynx Inc. (www.ilynxinc.com), is a DC Metro based 8(a) certified IT consulting company providing services that align technology to business requirements. For almost two (2) decades, iLynx has delivered a wide range of technology support, experience and innovation to our clients with an emphasis on quality and demonstrated leadership.

SUCCESS STORIES

A federal client was using Lawson Human Capital Management (HCM) and PeopleSoft Financials/Supply Chain Management (FSCM) with Oracle Access Management and Oracle Virtual Directory single sign-on functionality. PeopleSoft (FSCM) was integrated with several Oracle WebCenter applications including Imaging, Content, Document Capture (ODC), Forms Recognition (OFR) and Oracle SOA Suite.

Between 2015 and 2018, iLynx successfully integrated Hyperion Public Sector Planning and Budgeting to PeopleSoft FSCM and later upgraded to its latest version. iLynx also performed software assessment and upgraded PeopleSoft FSCM to 9.2/8.55.

Key Responsibilities and Solutions provided by iLynx:

- Project planning and methodology review, task execution, schedule development and monitoring.
- Review of homepages / tiles, work centers, fluid / mobile capabilities and related security.
- Integration of zero sign-in and multi-factor authentication.
- Creation of the technical upgrade and fluid adoption strategy and review of new images as released.
- Execution of organizational change management framework.

KEY CAPABILITIES

- Software Assessment and Selection.
- Program and Project Management.
- ERP/EPM/CRM Implementation and Upgrade.

KEY DIFFERENTIATORS

iLynx provides vendor independent software assessment and selection services utilizing custom tools & methodologies. Our seasoned delivery team has proven record of successful assessments of different software products, step by step approach documentations and on time delivery of solutions to our clients.
